Let's fall in LOVE

With the beautiful uniqueness of Zabel

Be ready to DREAM

Be seduced by Zabel's universe.

Feel the FREEDOM

Let's be outside the box!

« I was
meant
to be an
ARTIST.
I was BORN
to PAINT. »

Creating is the ultimate freedom.
The canvas is where the magic happens.
Where no rules apply.
Where the emotions are fixed for eternity.

Merging her own dualities, Zabel is marrying universes, styles and techniques in a unique fusion that brings a unique touch to her art. Mixing dreams and freedom. Glamour and rebel. Street and luxury.

« Life made me travel around for my art Now travelling is part of
who I am Part of my inspiration Part of my creation »

Her art and her nomad heart are forever interlaced.
Zabel is constantly travelling, getting inspired, re-inventing and renewing herself.
Her inspiration will never end...
Each artwork continues to write her story, one at a time, full of love, dream and freedom...
For eternity.

« Zabel is a prodigy to pay attention to. Her colorpay and fluidity channels
impressionist-era great while paying homage to the Renaissance period via
humanity and drama. » 7 HUE MAGAZINE
